## **Dr. Sonia Mosch, PhD., Clinical Neuropsychologist for the MN Wild (NHL Concussion Program), will be at the HealthStar booth for “Ask the Expert”**

### **Minnesota State Fairgrounds – August 29, 2016**

Dr. Mosch performs neuropsychological assessments for individuals concerned about the onset of Alzheimer’s and other dementias. If you have questions concerning the brain, now is your opportunity to “Ask the Expert”. Dr. Mosch will be available to discuss:

- The purpose for assessments, general methods, and uses in diagnoses of dementia versus normal aging;
- What to expect if you are referred for a neuropsychological assessment due to dementia concerns/symptoms, and;
- Recommendations that may arise from a neuropsychological assessment;
- Other questions fairgoers may have regarding Alzheimer’s and dementia.

“ASK THE EXPERT” to be held August 29 from 10:00 AM to 11:00 AM in the  
East Crossroads Auditorium/ Health Fair 11 Bldg. (Corner of Dan Patch & Cooper).

Dr. Sonia Coelho Mosch, PhD. ABPP-Cn, LP  
Board Certified in Clinical Neuropsychology  
Staff Neuropsychologist for the MN Wild (NHL Concussion Program)  
Also affiliated with Noran Neurological Clinic
